# Rules

1. Be kind, courteous, and helpful to other hackers
2. Don't cheat. If you do, it's over for you  
(we study CIS and know these tools, we know)
3. Keep all spaces clean. They're charging us for cleaning fees
4. HAVE FUN and BUILD COOL THINGS

# Logistics

Two main rooms:

- AGH 105
- AGH Main Auditorium

Food:

- Coming at 2pm
- Only take 2 slices at first
- NO FOOD IN TWO ROOMS

Please be mindful of the PhD's in the building doing their research;  
don't be loud :)

# Communication

- Join #penn-x-anthropic-hackathon in Claude Builder Club slack
- For questions:
  - Ask any of the leaders shown before if you see them
  - Ask in the the aforementioned Slack channel
  - Join the Slack channel here:
- We also have 10 industry mentors, whose emails you can find in the hackathon Slack channel :)

# Deliverables

- Submit in a Slack post:
  - Project Github/Project deployed link
  - 1-min YouTube video demo (public links accepted only)
  - Specify:
    - What track you're going for (if any)
    - Team name and team members
- Prepare a brief pitch (for if you make it to the final round)
